- Special Situations
- Income Tax

Any decision you make regarding your money should not be made in isolation. It helps to have a team of professionals like ours at your disposal. Our unique association with Michael Anderson & Company, Inc. (tax advisors) allows us to consider all tax consequences of your financial decisions.

We go beyond offering general advice. We will help you, your family and your business with customized solutions, so you are confident in your financial future.

*“comprehensive  
tax sensitive  
financial planning”*

Our financial planning process involves the following steps:

- We will meet with you to fully discover and understand your financial picture, including all of your goals and dreams.
- We will design customized financial strategies and assist you in implementing those solutions.
- Together, we will regularly review the plans to ensure we are continuously working toward achieving your goals and dreams.
